Worship across the Ministry Area

In order to make worship sustainable across the Ministry Area, the ministry team made the decision at the beginning of 2024 that each district would have one Sunday of non-eucharistic each month. This means that there is capacity within the ministry team to cover absences without so much reliance on retired clergy, but also to sustain themselves in ministry and observe best practice from each other on occasions. This also means that non-eucharistic worship is not a backup in case of no clergy available, but rather an important and valued part of our worshipping life together. If you have any questions, please do speak to one of the ministry team.
Fr Stuart.

Reflection for March

A glance at the liturgical calendar for March reveals some 'Red Letter Feasts' for us to look forward to. We start on a high with St David's Day. March 19th is St Joseph's Day and March 25th The Annunciation of The Lord (Yes, exactly nine months before Christmas Day). In our Christian tradition we have some saintly role models to follow and inspire us on our journey through Lent. St Joseph with his acceptance and trust in God and Our Lady with her "yes" to God's will. Oh, and March 17th is St Patrick's Day. So here's to us enjoying the sanctity of the saints, the hosannas of heaven and the alleluias of the angels, all in March.
